

## Coffee Gooseneck Kettle Cocinare Tropical Plants

Coffee Gooseneck Kettle Cocinare Tropical Plants

Ref: 6975652280077

### Coffee Gooseneck Kettle Cocinare Tropical Plants

Invite your loved ones for coffee, tea, or hot chocolate and enjoy the aromatic flavor together with the Gooseneck kettle. The elegant Cocinare device creatively combines a display and temperature control knob (ranging from 38°C to 100°C) and stands out with a power of up to 1500 W and offers a timer. Its ergonomic S-shaped design allows for comfortable and precise pouring. The kettle has a capacity of 0.9 liters, and its noise level during operation does not exceed 49 dB. Furthermore, the product ensures 60 minutes of thermal insulation, and thanks to its thoughtful construction, its use is completely safe.

### Feel Like a True Barista

Brew a beverage that will meet the expectations of even the most demanding coffee and tea enthusiasts. The Gooseneck electric kettle provides a capacity of 0.9 liters and allows for precise temperature regulation ranging from 38°C to 100°C. The selected value, chosen using a practical knob, will be displayed on the screen.

### Well-Thought-Out Solutions

The Cocinare kettle provides effective thermal insulation, keeping the warmth for up to 60 minutes. The device also offers a 5-minute timer, which aids in achieving the optimal extraction time, thus allowing the desired coffee flavor to be extracted.

### Ergonomic Design

The interior of the kettle is made of 304 stainless steel, which is resistant to corrosion. Its weight does not exceed 600 g. The upward-directed outlet of hot air directs steam away from the hands, reducing the risk of burns. The ergonomic handle enables stable and comfortable pouring, and thanks to the elegant S-shaped design, the Gooseneck model ensures unparalleled water flow control. With Cocinare, you will master the art of brewing coffee to perfection!

### Convenient Operation

You can easily adjust the temperature level using the knob, and practical buttons enable smooth operation of the kettle. Furthermore, with a power range from 1200 to 1500 W, you don't have to wait long for the water to boil. Now you can quickly prepare delicious beverages!

### Included in the Set:

Kettle x1

Cup coaster x1

Cocinare brochure x1

Cocinare membership card x1
