ENCHEN X8 shaving razor

With Enchen X8, shaving becomes fast, comfortable and safe. The razor stands out for its efficient performance and works for up to 1 h. Moreover, its charging is facilitated by a USB-A to USB-C cable (included). Moreover, you can use it both dry and wet, and the self-sharpening blades guarantee perfect results.

Precise shaving

Enjoy a comfortable and safe shave with the Enchen X8. The shaving tip consists of 3 movable cutting heads with a double row of blades, so it adapts to the shape of your face and glides smoothly over it. In addition, the head will instantly disassemble and clean thanks to its magnetic design.

Carefully considered design

Enchen X8 is equipped with a durable lithium-ion battery that provides up to 60 minutes of use on a single charge. It takes about 60 minutes to renew the product's energy. The task will be made easier with the included USB-A to USB-C cable. In addition, the razor has an advanced motor that operates at a high frequency for efficient performance.
