

LiPo Gens ace G-Tech 4000mAh 2S2P 7.4V 60C Battery pack

Ref: 6928493310045

LiPo Gens ace G-Tech 4000mAh 2S2P 7.4V 60C Battery pack

Gens ace G-Tech 4000mAh 2S2P 7.4V 60C LiPo Battery.

The Gens ace G-Tech LiPo battery is a high-quality power source with a capacity of 4000mAh and a voltage of 7.4V, designed to provide stable and long-lasting power. Its key parameters, such as 60 C discharge rate, 213 g weight and compact 96 × 47 × 25 mm dimensions, make it ideal for modeling and mobile applications. The G-Tech balancing plug and T-plug discharge plug guarantee ease of use and compatibility, highlighting the battery's functionality and reliability in a variety of operating scenarios.
