

Osmo Action Helmet Chin Mount

Osmo Action Helmet Chin Mount

Osmo Action chinstrap helmet mount

Capture your crazy bike or motorcycle ride in breathtaking shots. The DJI mount will allow you to attach your DJI Osmo Action 3, DJI Action 2 or DJI Osmo Action camera to your helmet almost flush with your line of sight. This allows you to record spectacular videos from a first-person perspective! The accessory is very easy to install and extremely durable. What's more, it fits a wide variety of helmet models and performs well even in difficult terrain.
