Design & Drill SparkleWorks Learning Resources EI-4125

Learning Resources EI-4125 (glossy) drill and screwdriver toy with construction kit

Let your child awaken the artist in you and develop creativity while having fun! The Design & Drill Sparkleworks set by Learning Resources includes an illuminated whiteboard and 60 colorful screws that can be screwed in and out with a kid-appropriate toy drill/driver. The package also comes with a booklet with 12 design suggestions - little users can be inspired by it or come up with their own ideas! What's more, the finished composition will glow in the dark and flash to the rhythm of music. All this allows to develop imagination and practice manual skills, while guaranteeing great fun. The product is suitable for children from 3 years old.
