

Speakers 2.0 Edifier S2000MKIII (brown)

Speakers 2.0 Edifier S2000MKIII (brown)

Ref: 6923520268184

Four preset Equalizer modes

Switch between four EQ preset modes (Monitor, Dynamic, Classical and Vocal) with the touch of a button. These four sound modes are designed to emphasize distinctive tones in different genres of music and sound.

Something for audiophiles

In order to construct such advanced equipment, the engineers used elements that were previously used in equipment dedicated to audiophiles. Thanks to that, they gain additional sound quality, no matter what volume you set it at.

State-of-the-art connectivity

The speakers are equipped with Bluetooth 5.0, the latest version of Bluetooth today. It supports aptX HD. This allows you to stream your music wirelessly without any interference and with exceptional quality.

Multiple connection methods

The rear panel features optical, digital coaxial and two stereo RCA inputs, allowing you to connect several devices at once, including your TV, cable/satellite box, Blu-ray player and more. The digital input supports sampling rate of 24bit/192kHz. Get quality sound from any of your devices.

Four preset Equalizer modes

Switch between four EQ preset modes (Monitor, Dynamic, Classical and Vocal) with the touch of a button. These four sound modes are designed to emphasize distinctive tones in different genres of music and sound.

Individually adjustable treble, bass, and volume

Treble, bass and volume are individually adjustable. 50 levels of master volume control and smart start volume help protect both your hearing and the speakers from damage. The speaker cabinet is made of wood veneer, while the knobs are made of metal.

Total power

130 Wat

Power output

RMS 15W×2 (tweeter unit) + 50W×2 (mid-range bass unit)

SNR

≥ 90dBA

Frequency response

45Hz-40kHz

Input levels

Line1: 800 ± 50mV | Line2: 600 ± 50mV OPT: 350mFFs ± 50mFFs, COX: 350 mFFs ± 50 mFFs,

BT

450mFFs ± 50mFFs

Audio input

Line1 Line2, Bluetooth, Optical, Coaxial

Control

Remote controller + knob

Bass unit

5,5 inches (148mm)

Dimensions

198mm x 276mm x 342mm (L x W x H)

Weight

About 20kg

Resistance

Tweeter□4Ω;

Woofers□4Ω
