Edifier R12U Speakers

Need speakers that combine compact design and high quality sound? The Edifier R12U are designed just for you! They use 60mm drivers and a Bass Reflex port to deliver crystal clear sound with a wealth of detail. They also allow you to connect an audio source via the 3.5mm port.

Compact design - impressive quality

Limited desk space but still want premium sound? That's exactly what the Edifier R12U speakers offer. It's possible thanks to the use of the best materials and technologies. The 60mm drivers are capable of generating clear, detailed sound. The devices achieve a total output power (RMS) of 2 x 2 W.

Functionality and convenience

The speakers are powered by USB, ensuring wide compatibility - you can simply plug them into your computer or adaptor. Adjust the volume with the built-in volume knob, and the 3.5 mm AUX input port allows you to hook up your mobile device or MP3 player. Choose a combination of high quality, compactness and modern design! Put your money on the Edifier R12U!
