

Mechanical Gaming Keyboard Havit KB872 RGB

Mechanical Gaming Keyboard Havit KB872 RGB

Ref: 6939119089849

Havit KB872 mechanical gaming keyboard

Take your gaming to the next level and win more battles. The Havit KB872 gaming keyboard supports anti-ghosting technology, making it perfect for even the most dynamic battles. The configurable colored backlighting gives it a gaming touch, and the Havit logo made of acrylic sheet decorates the device additionally. The product provides at the same time an exceptional comfort of use.

Anti-ghosting

Game and be confident that every keystroke is properly registered. With anti-ghosting technology, the Havit KB872 keyboard is sure not to let you down and provides lightning fast response to every move. Enjoy even the most dynamic, exciting gameplay and don't worry that something may go wrong!

Gaming design

Get yourself the perfect addition to your gaming zone. The KB872 keyboard looks really great - it can decorate your desk fantastically. The colorful backlighting is eye-catching and gives it a unique character. You can also adjust its brightness and style to your liking. An acrylic Havit logo adds an extra decoration to the device. There is also an option to remove it - the choice is yours!
