Edifier X3 TO-U wireless headphones TWS

Enjoy unprecedented sound quality of your favourite songs with the Edifier X3 TO-U wireless headphones! They deliver crystal-clear sound, long battery life and a stable, reliable connection via Bluetooth 5.0. They also offer CVC8.0 noise cancellation and are extremely easy to use.

Pure sound

Rediscover your favourite music albums! The headphones use the Qualcomm aptX codec to produce clear, detailed sound. Opt for a combination of high quality and comfort - without compromise!

Efficient power supply

The devices are equipped with powerful batteries, providing up to 6 hours of battery life. This can be extended to up to 24 hours with the charging case. That's the equivalent of listening to 360 tracks! What's more, charging the headphones will take around 1.5 hours, so you can quickly top it up before you leave the house.

Reliable connection

Forget about interference and disconnection problems with your headphones! The X3 TO-U provides stable transmission thanks to

Bluetooth 5.0 and a powerful Qualcomm chip. This combination guarantees a reliable wireless connection, with the added benefit of longer battery life.

Touch control

Touch panels provide additional convenience during use, making it much easier to use. Now you don't have to pull out your smartphone every time you want to change, pause or resume a song. You can also manage incoming calls or even start the voice assistant. It's all at your fingertips!

Functional, stylish design

The X3 TO-U are extremely lightweight, providing a high level of comfort without fatigue or ear strain - even during long sessions. What's more, they comply with the IP55 water resistance class, which allows you to use them also in the rain or during a workout. In addition to the utility values, the design of the equipment is also based on a modern, minimalist style. The headphones will match both casual and elegant outfits.
