#### TWS Edifier HECATE GM3 Plus Headphones (black)

Take your music and gaming experience to a new level. The Edifier GM3 Plus headphones feature 13-millimeter drivers that, along with the H+ effect, impress with sound quality. The GM3 Plus support 2 modes and Bluetooth 5.3 technology, and the powerful battery means they can run for 5.5 hours on a single charge. The compact size of the case and the meticulous workmanship of the headphones guarantee comfort.

#### Hear more

Find out what sound details you'll be able to capture with Edifier headphones. The equipment is equipped with 13-millimeter drivers that provide high-quality sound and richness of detail. This will make you feel like a participant of a music festival anywhere! What's more, the high-quality microphones will accurately register your voice, allowing you to make phone calls freely. Your caller will always hear you.

#### 2 modes of operation

The GM3 Plus supports two modes of operation. Music mode will be a great choice when you want to completely immerse yourself in the musical world. Game mode, on the other hand, will be great for dynamic gameplay. You will efficiently and conveniently change the mode of the equipment by pressing the appropriate button. Edifier headphones are perfect for any occasion!

#### Designed for gamers

When designing the GM3 Plus headphones, the focus was on the needs of gaming enthusiasts. Game mode provides ultra-low latency of 45 ms, so you'll enjoy perfect synchronization of video and audio. The H+ effect will make you hear every detail - from the sound of footsteps to gunshots. You will quickly react to your opponent's movement and finish every game victoriously!

#### Reliable connection

Forget about interference and enjoy a fast and stable connection. Edifier GM3 Plus headphones support Bluetooth 5.3 technology, with a transmission range of up to 10 meters. Watch your favorite movies, series, play games and listen to music without worry. Nothing will get in the way of your entertainment!

#### Convenience of use

GM3 Plus are characterized by their light weight. The weight of one earphone is only 3.5 g, so you can use the equipment for a long time without discomfort. The ergonomic design makes the headphones fit perfectly in the ears and hold firmly in place. Say goodbye to any inconvenience and use Edifier equipment comfortably.

#### Long runtime

Thanks to the powerful battery, you don't have to worry about the headphones discharging at the least opportune moment of dynamic gameplay. The GM3 Plus can run continuously for 5.5 hours on a single full charge. The included charging case can extend this time to 24.5 hours. Focus on entertainment and don't worry about a thing! The time it takes to charge the GM3 Plus is about 1.5 hours.

#### Refined design

Edifier GM3 Plus headphones are not only functional, but also very stylish. Their design is inspired by sports cars, and RGB backlighting (5 colors of lights to choose from) enriches the aesthetic value of the equipment. The charging case is 20% smaller compared to older models, so you can store them conveniently. Opt for convenience, functionality and style with GM3 Plus!
