Gaming headphones Edifier HECATE G30 II (black)

Immerse yourself in gameplay with the Edifier G30 II. The headphones deliver treble-rich and deep bass sound, while the detachable omnidirectional microphone allows you to talk freely with others. What's more, they offer long-lasting comfort and customizable RGB backlighting. Plus, additional software allows you to customize the sound.

Greater immersion

Feel like the hero of your favorite title. The headphones offer 7.1 surround sound for an even better immersive experience, while 40-millimeter neodymium drivers deliver ear-pleasing treble and deep bass.

Detachable microphone

Now you can talk to other gamers and be sure they can hear you clearly. The Edifier G30 II headphones are equipped with an omnidirectional microphone that accurately captures your voice despite ambient noise. What's more, you can detach it at any time if you don't need it.

Lightweight and comfortable

Don't be afraid of feeling tired and uncomfortable, even during prolonged use. Edifier G30 II are distinguished by their ergonomic design -

PU ear cups are soft and do not cause unpleasant pressure, they also perfectly isolate ambient noise. In turn, the adjustable headband allows you to adjust the headphones to suit your needs.

Colorful backlighting

Edifier G30 II headphones will be an interesting addition to your gaming set. They feature a stylish design, so they are sure to appeal to gamers. They are also equipped with RGB backlighting, which you can configure by choosing from 6 available lighting effects. The choice is yours!
