PULUZ Selfie Handle/Tripod with Phone Mount (Red)

Creating breathtaking content just got easier! The Puluz tripod allows for height adjustment up to 30.5 cm, while the ball joint provides full control over camera positioning. You can also use it as a practical selfie stick, perfect for any journey.

Durable Construction

The Puluz PU637R tripod is made of high-grade aluminum alloy, ABS, and rubber elements, ensuring quality and stability. It's shock-resistant and durable, guaranteeing long-lasting pleasure of use.

Maximum Comfort in a Compact Design

Despite its compact size, the PU637R handle offers great versatility. Adjustable height ranging from 13.5 to 30.5 cm allows for various needs. When folded, the handle is only 16 cm tall, making it easy to fit into your bag or backpack. Now you can enjoy the convenience of Puluz wherever you go!

Set Your Equipment Vertically and Horizontally

The universal gimbal ensures full control over your devices' orientation - you can set them both vertically and horizontally, ensuring the perfect frame at all times! This allows you to create unique vacation photos, record emotional videos, or conduct smooth online

broadcasts, enjoying full freedom.

Wide Compatibility

The standard ¼-inch screw guarantees compatibility with many cameras and lighting setups. Additionally, the set includes a phone holder, allowing you to safely mount your phone on the tripod. The rubber finish protects your smartphone from falls and scratches.
