

Duracell Wall Charger 2xUSB 2.4A 24W (black)

Ref: 5056304311460

Duracell Wall Charger 2xUSB 2.4A 24W (black)

Duracell 2xUSB 24W mains charger (black)

Long waiting times for your devices to renew power are a thing of the past. This mains charger comes with 2 USB-A ports, so you can easily power two devices at the same time. It offers fast charging with an amperage of 4.8A and a maximum power of up to 24 watts. It is made of a pleasant-to-the-touch material that provides a safe and comfortable grip when plugging and unplugging the charger. In addition, it is distinguished by its compact and ergonomic design - so you can always have it with you.

Instant power restoration

The product supports 3.4A/5V fast charging with up to 17 watts of power. So you can restore your phone's power in no time. You no longer have to wait indefinitely for your equipment to be ready to work again!

Charge up to 2 devices simultaneously

The charger is equipped with two USB-A output ports. Thanks to this solution you can charge, for example, a smartphone and a tablet at the same time without any obstacles. You no longer have to wait until one device is charged to connect another!

Safety of use

This is not the end of the advantages of the Duracell mains charger. The product is equipped with protection against overheating, overcharging and short circuit, so you can use it without worry.

Wide compatibility

The Duracell charger also features wide compatibility. You'll be able to successfully connect it to devices such as your smartphone, tablet or wireless headphones. Note: the USB cable is not part of the set and must be purchased separately.
