

## Cable USB to Lightning Duracell 2m (black)

Ref: 5055190170038

Cable USB to Lightning Duracell 2m (black)

Duracell USB to Lightning cable 2m (black)

The Duracell cable is compatible with devices equipped with a Lightning port, such as Apple smartphones and tablets. It features a voltage of 5V/3A, so it will charge your devices faster than other such products. It also allows you to transfer files at 480 Mbps. Its length is 2 meters.

### Instant file transfer

Do you need to transfer photos from your phone to your laptop? Or do you want your recorded and saved videos on another device? With the Duracell cable you will transfer them in no time! The USB5022A allows you to transfer files at speeds as high as 480 Mbps. Don't limit yourself and quickly transfer selected files to any device.

### Fast charging

Tired of waiting a long time for your devices to be charged and ready for use again? With the Duracell cable this problem will be a thing of the past! The USB5022A supports fast charging and its voltage reaches up to 5V/3A. Find out how fast you can charge your device's battery!

### Convenience of use

The USB5022A is not only extremely versatile and practical, but its use is also highly convenient. Thanks to the fact that the length of the

cable is as long as 2 meters, you can freely use the device you are charging. Indulge yourself in convenience and functionality with Duracell!

#### Wide compatibility

The Duracell cable is equipped with USB-A and Lightning connectors, so it is very versatile and you can use it with many different devices. Conveniently charge smartphones and tablets equipped with USB-A and Lightning ports, such as iPhones, iPads and iPods, and enjoy fast file transfers!
