

Car Charger USB, USB-C 27W Duracell (Black)

Ref: 5056304310692

Car Charger USB, USB-C 27W Duracell (Black)

Duracell USB-A + USB-C car charger, 27W

A car charger is an essential accessory for any driver. Now you can charge up to 2 devices at the same time while traveling with the Duracell car charger with a maximum power of 27W. The compact charger is equipped with 2 ports: USB-A and USB-C, making it widely compatible. It supports Power Delivery fast charging technology and powers the battery with energy much faster than standard 5W chargers. Using the Duracell DR6026A car charger, you'll always arrive at your destination with your devices charged!

Fast charging technology

Are you facing a long car trip and your smartphone is close to being discharged? Or maybe you are in a hurry to get to work and forgot to charge your phone? Duracell car charger will solve any of your problems! The product supports fast PD charging with up to 27 watts - it charges up to 4 times faster compared to a standard 5W charger. Now you can restore power to your device even faster.

One charger for multiple devices

Forget about compatibility problems. The charger stands out for its wide compatibility. It works perfectly with smartphones or tablets of different brands. It will also work well for charging a powerbank or wireless headphones.

Charge up to 2 devices at the same time

Conveniently charge up to two devices at the same time while traveling in the car. The Duracell DR6026A charger is equipped with 2

ports - USB-C and USB-A, so you can easily charge, for example, a smartphone and a smartwatch at the same time.
