SuperFire W-006 Champion Light Children's Night Light

With SuperFire, every child can feel like a star. The Champion Light night light features an original design resembling a trophy, and thanks to its practical construction, it allows for convenient storage of school supplies. The included remote control allows for light management without the need to get up from the comfortable bed. There is also the option to set a timer for automatic shutdown.

Eye-friendly Lighting

Introduce colors into your child's room. The SuperFire Champion Light night light offers both white and colorful light. The generated lighting is eye-friendly, and with the remote control, you can conveniently choose the color and intensity of the light.

Night Light and Organizer in One

Is your child having trouble keeping things tidy? With the SuperFire lamp, they can conveniently store their school supplies, including pens, pencils, crayons, erasers, and even a geometry set. The Champion Light facilitates learning and homework, providing both optimal lighting and the ability to organize items on the desk.

Convenient Control with Remote

The set includes a remote control that allows for lighting management from a chair, sofa, or bed. The device allows you to turn the lamp
