SuperFire L07 Little Elk Children's Night Light

SuperFire L07 Little Elk Children's Night Light

Ensure your little one feels safe even at night. The SuperFire lamp stands out with its friendly design featuring a cute elk motif and offers illumination in various colors. Petting the silicone buddy allows for changing the light color, and a practical timer enables setting the time after which the device will automatically turn off. The efficient battery provides up to 18 hours of operation on a single charge.

Room in Colorful Hues

The Little Elk night light offers a variety of lighting colors, including shades of white, purple, red, green, and blue. Warm light for sleep and colorful for creative play? With SuperFire, it's possible! To change the color, simply touch the lamp, allowing children to easily choose the color they like the most.

Friendlier Source of Light

Thanks to the efficient battery, the SuperFire lamp can provide light for up to 18 hours, ensuring comfort and safety for the child during night rest. The micro USB port allows for seamless charging, which takes only 2.5 hours.

Automatic Light Shutdown

There is an option to use the intelligent timer, which will automatically stop the lamp's operation after 30 minutes or an hour. This way,

your child can fall asleep with light, and you don't have to worry about saving energy.
