TESSAN Power strip TS-301-C-GR

Conveniently power essential devices and streamline your desk space organization. The TESSAN TS-301-C-GR power strip offers you 3 AC outlets, 2 USB-A ports and 1 USB-C port, allowing you to connect up to 6 devices simultaneously. It is distinguished by its compact, lightweight design and a long, 2-meter cable, which enables flexible placement in your chosen location.

Excellent Power Source for Your Devices

With 3 available AC outlets, 2 USB-A ports and 1 USB-C port, you can easily connect up to 6 devices to the power strip simultaneously. You can plug in your smartphone, laptop, tablet, desk fan, small lamp, and air humidifier - the possibilities are truly extensive.

Thoughtful Design

Say goodbye to tangled cables and clutter on your desk. Thanks to the thoughtful design, the TESSAN power strip takes up little space and facilitates optimal space organization. You can freely connect your selected devices to it without worrying that a large plug or adapter will block the remaining outlets and ports. You also have the option to attach the product under the desk - a self-adhesive pad included in the set allows for this. As a result, you'll save even more valuable space!

Perfect for Travel

Going on vacation? Take the power strip with you and enjoy the convenience of powering your devices wherever you are! The product is exceptionally lightweight and compact - it weighs only 350 g, with dimensions of 7.6 x 7.6 x 7.6 cm. This makes it easy to find a place for it in your suitcase or travel bag.
