### TESSAN Power strip TPS03-DE-C

Gain the ability to conveniently power your devices and keep your desk organized. The TESSAN TPS03-DE-C power strip allows you to connect up to 11 devices simultaneously - offering 8 AC outlets, 2 USB-A ports, and one USB-C port. It stands out with impressive performance and a lightweight, compact design - it won't take up too much space. It also comes with a long, 2-meter cable, allowing you to easily place it in your desired location.

### Charge Your Devices Quickly

Don't wait too long for your phone, tablet, or smartwatch to be ready for action again. Each of the USB-A ports on the power strip offers a current of up to 2.4 A. For the USB-C port, it will be a maximum of 3 A. The total output current reaches 5 V / 3 A / 15 W. This allows you to charge your chosen device quickly!

### Up to 11 Devices Simultaneously

The TESSAN power strip will help you organize your desk space properly. With 8 available AC outlets and 3 USB ports (2x USB-A, 1x USB-C), it allows you to power up to 11 devices simultaneously. You can easily connect your laptop, smartphone, tablet, monitor, desk lamp, or speakers - the possibilities are almost limitless!

### Refined in Every Detail

You don't have to worry about storms with TESSAN. The power strip is equipped with surge protection (up to 1700 J), so you can use your connected devices with peace of mind, without worrying about damage. Moreover, despite its great capabilities, the product is surprisingly compact - its dimensions are only about 11.4 x 16.1 x 8 cm. You can easily find a place for it on your desk or nightstand! Furthermore, thanks to the well-thought-out design of the power strip, you don't have to worry that a large plug or adapter will cover some sockets and prevent their use.
