

Charger Blitzwolf 868H, 2xUSB-A, 3xUSB type-C, 160W (black)

Ref: 5905316148741

Charger Blitzwolf 868H, 2xUSB-A, 3xUSB type-C, 160W (black)

Blitzwolf 868H mains charger, 2xUSB-A, 3xUSB type C, 160W (black).

The BlitzWolf 868H is a modern device that will meet the needs of even the most demanding users. Equipped with 2 USB-A ports and 3 USB Type-C ports, it offers a total output power of 160W, allowing you to charge multiple devices simultaneously. Thanks to smart charging and support for PD+QC 3.0 protocols, each connected device will receive the optimal amount of power in the shortest possible time.

Wireless charging for your convenience

The BlitzWolf 868H also supports wireless charging at 15W, which is ideal for smartphones and other devices that support this technology. This allows you to conveniently renew energy without the need for additional cables.

Robust design and safe to use

The charger is made of high-quality PC + ABS materials, which guarantees its durability and strength. The AC100-240V/50-60Hz input power makes it ideal for both home and office use. Temperature control and non-slip pads ensure safety and stability during use, so you can be sure that your devices are safe.

Versatile charging capabilities

The variety of ports allows you to charge a wide range of devices - from smartphones to tablets to laptops and other accessories. With a high capacity of 15W/10W/7.5W/5W, the BlitzWolf 868H is able to quickly charge any device.

Practical design and ease of use

The charger's compact size (126 x 116 x 50mm) and weight (429g) make it easy to carry and space-saving. The LCD display makes it easy to monitor the charging process, and the sleek black color adds style to the charger, so it aesthetically complements your workspace.
