X9 E Mount Unit

DJI Zenmuse X9 E Mount Unit

The DJI Zenmuse X9 E Mount Unit supports interchangeable lens mounts and is compatible with DJI Zenmuse X9-6K and DJI Zenmuse X9-8K gimbal cameras. It will successfully support DJI's proprietary DL mount, but also third-party mounts such as the Sony E. Ultra-wide, macro and anamorphic lenses, which are compatible with traditional cinema cameras, also work with the X9, providing flexibility when choosing a lens. Additionally, the product is compatible with the X9 Focus Motor and allows focusing on manual lenses.
