### TWS ONIKUMA T305 White Headphones

Looking for comfortable and reliable TWS headphones that provide you with excellent sound quality? Opt for the ONIKUMA T305! They are distinguished not only by their original design and long operating time, but also by fantastic sound and modern Bluetooth 5.3 connectivity. Enjoy the comfort and discover your favorite songs anew!

### Unique design

T305 headphones are lightweight, comfortable and pleasant to the touch. They fit perfectly in the ears and do not fall out of them - even when you move a lot. What's more, the charging case designed for them is handy and compact enough for you to carry them with you at all times. It will easily fit in your backpack or pocket! Its additional advantage is a stylish transparent closure, which not only looks great, but also allows you to conveniently check its charging level - you don't have to open it every time.

### Convenient touch operation

Enjoy convenient access to the most important functions of the headphones. The ONIKUMA T305 are equipped with practical touch panels that allow you to skip songs, pause and resume playback, handle incoming phone calls, adjust the volume and activate the voice assistant, among other things. No longer do you have to reach for your smartphone every time - now everything you need is at your fingertips.

#### Long working time

ONIKUMA T305 headphones are perfect for home, work and travel. They stand out for their long working time, so you don't have to charge them too often. Fully charged, they allow you to play music for about 4 hours or make phone calls for about 5 hours. Charging them will not take long - about 2 hours is enough. In addition, the total operating time of the headphones with the case reaches 15 hours.

#### Great sound quality

Experience how fantastic your favorite songs can sound. The T305 headphones allow you to enjoy high-quality sound - deep bass, crisp mid-range and ear-pleasing treble are sure to charm you. This is the perfect choice for any music lover!

#### Bluetooth 5.3

With the ONIKUMA T305, transmission problems will become only an unpleasant memory. The headphones support Bluetooth 5.3, so they can provide a stable, fast, reliable connection in almost any conditions. Forget about interference, delays and stuttering! Now nothing will stand in your way when you listen to your favorite songs, play games or watch TV series.
