Ref: 6975266730050

Wall charger GaN Rocoren 3x USB-C, 3x USB, 100W (black)

Wall charger GaN Rocoren 3x USB-C, 3x USB, 100W (black)

Now you only need one charger to charge up to 6 devices simultaneously. Rocoren brand product offers you 6 ports (3x USB-C, 3x USB-A) and provides a maximum output power of 100W. It also supports various fast charging standards, so you don't have to wait too long for your smartphone or laptop to be ready for work again. Moreover, the charger utilizes advanced GaN technology, making it not only incredibly efficient but also lightweight and portable.

Up to 6 Available Ports

Need to charge more devices? No problem! The charger is equipped with 6 ports - 3x USB-C and 3x USB-A, so you can connect up to 6 devices at the same time. Now you can quickly and conveniently charge your laptop, phone, tablet, portable gaming console, wireless headphones, and desk fan!

Fast Charging

The charger offers a maximum power output of up to 100W, and it also supports fast charging standards such as PD3.0, PPS, AFC, FCP, QC4.0, and QC3.0. This allows you to quickly charge most of your devices - forget about long waits.

Don't give up the option of fast charging devices when you're away from home. The charger is lightweight and portable enough for you to easily take it with you on vacation or business trips. It is also distinguished by its compatibility with universal AC voltage 100-240 V, allowing you to use it abroad without any problems. You also don't have to worry about safety - the product is protected against, among other things, overvoltage, short circuit, overload, and overheating. Moreover, the long, 1.5-meter cable provides greater freedom and convenience of use in various scenarios.
