Wall charger MiniGaN Rocoren USB-C, USB, 20W (black)

With the Rocoren MiniGaN charger, you can charge 2 devices in a very short time. The product offers 2 ports (USB-A and USB-C), and its maximum output power is 20W. It also supports various fast charging standards and stands out with a lightweight, compact design, allowing you to have it always at hand - not only at home or at work, but also, for example, on vacation.

Fast Charging

With a power reaching 20W, the charger allows you to quickly charge most popular devices. The product also supports fast charging - it supports standards such as PD 3.0, QC 3.0, AFC, and FCP. This means that your device will be ready for work in no time, and you will save time!

Charge 2 Devices Simultaneously

The charger is equipped with 2 ports - USB-C and USB-A. This allows you to connect up to 2 devices at the same time! You no longer have to wait for one to be ready before charging another. Moreover, the product is compatible with most popular devices, such as smartphones, tablets, smartwatches, or TWS headphones.

Refined in Every Detail

The built-in intelligent chip is responsible for automatically adjusting charging parameters to the requirements of connected devices. So you don't have to worry about the condition of their batteries! The charger is also equipped with protection against overcharging, overvoltage, overheating, short circuit, and more. Additionally, its lightweight, compact design allows you to easily take it with you on a trip, and its compatibility with AC voltage 110-240V means you can use it abroad without any problems.
