Ref: 6975266730432

Fast Charging cable Rocoren USB-C to USB-C Retro Series 2m 240W (grey)

Rocoren USB-C to USB-C Retro Series 240W Fast Charging Cable, 2m (gray)
The Rocoren Retro Series Fast Charging Cable, with a length of 2 meters and an output of up to 240W, is a breakthrough in device charging. With support for the latest PD 3.1 and QC 5.0 standards, it is able to charge devices at remarkable speeds, being compatible with a wide power range from 20W to 240W. This means you can charge your MacBook Pro 2021 up to 78% in just 60 minutes, making it ideal for professionals and users who need their devices ready to go fast.

Charge stability and security
The advanced e-marker chip provides more stable and safer charging by intelligently adjusting the current according to the needs of the device being charged. The cable is designed to ensure safe charging, protecting your device from overcurrent, overheating and other potential hazards.

High quality data transmission
The 480 Mbps data transfer speed allows for fast and efficient file transfers between devices, which is crucial when working with large files and heavy data usage.

Durability and robustness

The cable is characterized by exceptional durability thanks to its high-quality aluminum jacket and nylon braid, which provides resistance to bending and damage. The robust construction and excellent interface fit guarantee long-lasting and reliable use.

Universal compatibility
The Rocoren USB-C to USB-C Retro Series is universally compatible with a variety of devices that use a USB-C connector, from laptops to smartphones, tablets and other gadgets. The 2-meter length provides convenience for use in a home or office environment.
