

## Fast Charging cable Rocoren USB-C to Lightning Retro Series

Ref: 6975266730555

Fast Charging cable Rocoren USB-C to Lightning Retro Series 2m (grey)

Rocoren USB-C to Lightning Retro Series 2m fast charging cable (gray).

Rocoren's Retro Series fast charging cable combines modern technology with a sleek, classic design. With PD (Power Delivery) 20W compatibility and support for 27W/18W standards, it allows you to charge your device to 60% in just 30 minutes. It's ideal for those who need their devices to be ready to go whenever they need them. The 2-meter cable offers convenience, allowing you to charge and use your device even when you're far from a power source.

### Safety and performance

At the heart of the cable is a smart chip that identifies the connected device and effectively controls the current and voltage. This ensures stable and safe charging and protection against overcharging. The cable is designed to safely and efficiently deliver power to all Apple devices, making it a versatile choice for any user of the brand's products.

### Fast data transmission and durability

With a data transfer speed of 480 Mbps, the Rocoren cable will not only charge your device quickly, but also enable instant syncing and file transfer. The nylon braid and aluminum sheath ensure durability and resistance to bending, while the thickened copper cores guarantee long-lasting performance and transmission stability.

□Manufacturer  
□Rocoren  
□Manufacturer code
