Ref: 6975266730913

Fast Charging cable Rocoren Digital USB-C to USB-C, PD, 1m (grey)

Rocoren Digital USB-C to USB-C fast charging cable, PD, 1m (gray)

The Rocoren cable is the perfect solution for those who appreciate speed and reliability when charging their devices. It offers 100 watts of power and 5A amperage, so you can restore power to your devices in no time. It is equipped with a small display that provides real-time information about the charging power. Made of high-quality aluminum and covered with a nylon braid, this cable is not only durable, but also resistant to twisting and mechanical damage for long-lasting use.
