

Smartwatch HiFuture AIX Silver

Smartwatch HiFuture AIX Silver

Ref: 6972576181435

HiFuture AIX Smartwatch (Silver).

The HiFuture AIX smartwatch is an indispensable companion in daily life. It offers more than 100 sports modes, and allows you to control health monitoring functions. With a 1.43-inch AMOLED display with a resolution of 466 x 466 pixels, every detail is clear and sharp, and with a battery capacity of 350 mAh, you can enjoy its functionalities for up to 10 days. Integration with the GloryFitPro app allows you to track your progress, analyze your health data and set new goals. Thanks to its 1ATM water resistance, you can use it in a variety of conditions without any problems.

See more - AMOLED display

The HiFuture AIX features a 1.43" AMOLED display that offers a resolution of 466 x 466 pixels. This means that every detail is exceptionally clear and vivid, providing excellent visibility even in the brightest conditions. What's more, the display is made of Gorilla Glass, which provides up to 3 times the hardness, offering comprehensive protection against scratches.

Track your every move

Let HiFuture AIX become your indispensable partner on the road to better fitness and a healthier life! The smartwatch lets you choose from more than 100 sports modes, allowing you to perfect a variety of physical activities, from running to cycling and even swimming. Track your steps, distance traveled, calories burned and more in real time, keeping you motivated to take action and reach your next

goals.

Your personal health assistant

Let HiFuture AIX take care of your health every step of the way! With its sleep monitoring feature, the smartwatch analyzes the quality of your rest, helping you understand and improve your sleep cycle. It also measures your blood oxygen saturation levels, and monitors your heart rate and stress levels.

Don't miss a single message

From now on you will always be up to date with all the news! The smartwatch allows you to make phone calls without having to take your phone out of your pocket. With instant notifications of incoming messages, emails or social media notifications, you will stay in touch with the most important people and events, no matter where you are.

Ready to accompany you anywhere

Nothing stands in the way of achieving your goals anymore! With a water resistance rating of 1ATM, the HiFuture AIX smartwatch is ready for any challenge - from rainy days to swimming in the pool (up to 10 meters deep). Now you can train in any conditions without worrying about your device.
