USB-C to USB-C Cable 60W Essager 2m (black)
The Essager USB-C to USB-C cable is an excellent choice for those who want to quickly charge their devices with 60W of power. The accessory is distinguished not only by its aesthetic design, but also by its exceptional durability and data transfer speed.

Fast data transfer
With a data transfer speed of 480 Mbps, the Essager cable allows you to transfer files between devices at an express pace. Don't wait for a long copying process - the accessory guarantees fast and efficient data transfer!

Fast charging with 60 watts of power
Whether you want to charge your smartphone, tablet or laptop, the Essager cable with 60W output power ensures fast and efficient energy renewal. Save time and be sure your devices are always ready to go!

Refined design
The Essager cable uses an aluminum alloy for durability and aesthetic appeal. Rubber protection on the base of the connector ensures durability. The accessory has successfully passed tests, during which it was bent more than 38,000 times, which proves its durable construction.
