Ref: 6921002671323

Cable USB-C to USB-C Mcdodo CA-7132, 100W, 1.2m (black)

Cable USB-C to USB-C Mcdodo CA-7132, 100W, 1.2m (black)
Increase your work efficiency. The USB-C to USB-C Cable Mcdodo CA-7132 enables fast charging with up to 100W power and allows file transfer at speeds of up to 10 Gb/s. It also supports displaying high-resolution 4K images. It is distinguished by its solid, durable construction and wide compatibility – it will work with most popular models of smartphones, tablets, and laptops.

Transfer Files in the Blink of an Eye
Forget about waiting long for the necessary files to reach their destination. The Mcdodo cable allows data transfer at speeds of up to 10 Gb/s, so you can quickly send all the necessary photos, documents, and even videos.

High-Quality Image
Do you want to display images from your smartphone or laptop on a larger screen? No problem – the cable supports 4K resolution with a refresh rate of 60 Hz. So you can enjoy incredible detail richness and vivid, distinct colors! It's the perfect solution if you want to, for example, watch the next episode of a series or work on video editing.

Fast Charging
The cable provides up to 100W power and supports PD 3.1 fast charging. This allows you to quickly charge your tablet, phone, or even

laptop! Moreover, the built-in E-Marker chip intelligently adjusts the current intensity and voltage to the requirements of the connected device, so you don't have to worry about its safety.

Durable Construction
Get a cable that will serve you for many years. The CA-7132 model is equipped with aluminum alloy elements, which provide it with durability and resistance to corrosion. Additionally, the nylon braided cover protects it from damage and prevents tangling, while the reinforced copper-coated wire and special shielding ensure stable transmission, faster charging, and greater resistance to interference.
