Camping Lantern with Spotlight Superfire M61, USB-C

The camping lantern with spotlight Superfire M61 is an excellent solution for outdoor enthusiasts. It's a multifunctional device that can meet various needs, from illuminating a tent to exploring at night. Whether you need a hanging camping lantern or a powerful flashlight, the Superfire M61 is ready to meet your expectations.

Versatility at Your Fingertips

The Superfire M61 can function as both a hanging camping lantern and a portable flashlight. It's a solution for those who value flexibility. Turning the knob makes it incredibly easy to turn the lantern on and off.

Emergency Power Bank

In addition to its lighting functions, the Superfire M61 can also serve as an emergency power bank. With the USB-C charging interface, you can charge your phones or other electronic devices in critical situations when power is most needed.

Bright and Customizable Lighting

The lantern offers various lighting modes, including bright light, dim light, strobe light, as well as camping light in both white and yellow. This allows you to customize the lighting to your needs, regardless of the situation.

High Performance and Durability

The Superfire M61 provides a brightness of 360 lumens and a long lighting range of up to 350 meters. With a long working time of up to 6.5 hours and a large capacity 18650mAh battery, you can use the lantern for an extended period without the need for frequent charging.

Solid Construction and Weather Resistance

The lantern is made of durable materials such as ABS and PC, ensuring its resilience to camping conditions. Additionally, it has an IP43 waterproof rating, meaning it is resistant to rain and splashes, which is crucial during outdoor activities.
