HP DHE-6000 Wired speaker set (black)

Ref: 6972431710619

HP DHE-6000 Wired speaker set (black)

Experience a new level of sound quality with the HP DHE-6000 speakers. This unique set offers not only top-notch audio but also an original design with RGB lighting, which will accentuate the modernity of your gaming setup or home office. The 2.5" drivers will deliver unforgettable musical experiences, and the compact construction will allow you to place the equipment without obstacles, even on a small desk.

Stunning Sound

The HP DHE-6000 speakers offer an impressive power of up to 2x 3W, providing stunning sound that will fill any room. Furthermore, with a frequency response from 160 Hz to 20 kHz, you can enjoy the full spectrum of audio, from deep bass to clear high tones. Also noteworthy are the 2 2.5" drivers, which guarantee clean, natural sound and incredible detail richness. The DHE-6000 model will perform excellently not only during music listening but also while watching movies and gaming!

Elegant Design with RGB Lighting

The HP DHE-6000 not only sound great but also look great. Their modern design is enhanced with RGB lighting, which adds unique character to any room. Moreover, you can turn the lights on or off at any time - the speakers allow for convenient touch control.

Compact Dimensions

Despite impressive performance, the HP DHE-6000 speakers feature a compact, handy construction - their dimensions are only 78 x 99 x 175 mm. So, you can easily place them on a small desk, shelf, and more. They won't take up too much space!

Easy Setup and Operation

Installing and operating the speakers will not give you the slightest trouble. You can connect them to any audio device using a standard jack cable and power them directly through the USB port.
