HP Ethernet CAT6 U/UTP network cable, 2m (blue)

The HP DHC-CAT6-UTP-2M cable will provide you with a fast and reliable network connection. Compliant with modern RJ45 Cat6 standards - it enables high-speed data transfer at up to 1 Gbps, making it an ideal choice for those who value high quality and stable transmission. The product is also characterized by robust construction and resistance to interference. The length of the cable is 2 meters, which translates into great flexibility in the installation and deployment of network devices.
