Carrying Case Sunnylife for DJI Mic / Mic 2 (B770)

Sunnylife protective case for DJI Mic / Mic 2 (B770)

Conveniently store your receiver, transmitter, charging case and small accessories such as phone adapter, hot shoe adapter, cables, magnetic clip or wind shield. The Sunnylife case features a heavy-duty zipper for quick access to your gear. The product is also shockproof and provides protection for the contents. High-quality fabric was used in its production. The lining is made of flannel, so you don't have to worry about possible scratching of your devices. The included snap hook makes it even easier to carry. The case is compatible with the DJI Mic and Mic 2.
