ONIKUMA B5 gaming headphones (pink)

Discover a new dimension of gaming entertainment with the Onikuma B5! The headphones provide fantastic sound quality that takes you right into the middle of the action. The long runtime will allow you to play for hours without interruption. The wireless connection guarantees the freedom of movement you've been dreaming of - you can also connect the headphones to your device with a cable! The headband features illuminated cat ears, while the ear cups are decorated with adorable cats for a unique touch.

Get carried away by the sounds

Ready for full immersion in the gaming world? Thanks to advanced HIFI sound technology, you can hear even the smallest details of the virtual world around you, allowing you to react faster and more effectively to every sound in the game. With Onikuma B5 every game will become even more exciting!

Ready for a gaming marathon

Get ready for non-stop hours of gaming! The headphones are equipped with a powerful 850 mAh lithium battery that provides up to 8 hours of use. So you can be sure that the Onikuma B5 won't let you down during the most important moments of gameplay! What's more, their long standby time of 365 days means that they are always ready to use, even after a long break.

Convenient operation

Operating the headphones is extremely easy! There are special buttons on one of the earcups that will allow you to control the most important functions. Thanks to them, you can conveniently adjust the volume level without having to search for settings on your computer or change the backlight modes.

Choose your way to connect

Enjoy unlimited freedom of movement! The headphones use a Bluetooth 5.3 connection, which guarantees a fast and reliable connection to the device of your choice at a distance of up to 15 meters. However, if you prefer traditional solutions, the Onikuma B5 gives you the option to connect the headphones to any device using a USB-C to 3.5mm cable.
