Desktop Charger 2xUSB-C 2xUSB-A 100W Essager GaN (black)

Essager GaN 100W 2xUSB-C 2xUSB-A Wall Charger (Black)

Charge multiple devices simultaneously with Essager. The charger offers 4 output ports (x2 USB-C, x2 USB-A) and delivers 100W of power, allowing you to quickly replenish your devices' energy. Moreover, the advanced chip ensures efficient product performance, while compatibility with various fast-charging protocols enhances usability. Additionally, the retractable base allows you to position the charger vertically or horizontally according to your convenience.

Rapid Device Charging

With the Essager charger, you can rapidly recharge your devices. The product utilizes a 100W output power, enabling fast charging for laptops. Additionally, it supports fast-charging protocols such as PPS, PD3.0, QC4.0, QC2.0, FCP, BC1.2, DCP, Apple 2.4A, AFC, and many more. As a result, it can charge an iPhone 14 or an iPad to 60% in just 30 minutes.

Broad Compatibility

Worried that the product won't work with your devices? Fear not! The charger features 2 USB-C ports and 2 USB-A ports, allowing you to connect a variety of different devices. The Essager ECT2CA-FLB01-Z supports smartphones, laptops, tablets, wireless headphones, smartwatches, and much more.

Safe Usage

The Essager ECT2CA-FLB01-Z provides not only fast but also safe charging. The charger is equipped with a built-in third-generation chip that prevents product overheating, ensuring stable and efficient operation. Furthermore, it offers protection against short circuits, overcurrent, overcharging, voltage spikes, and more.
