Phone Lens APL-0.45XWM 0.45x Wide Angle + 12.5x Macro Lens

Discover a new quality of mobile photography with the APL-0.45XWM lens kit from Apexel. This innovative product combines advanced technology and user convenience, allowing for both wide-angle landscape shots and detailed macro close-ups with remarkable ease. In the kit, you'll find not only two specialized lenses but also practical accessories such as a pouch, clip, cleaning cloth, and instructions, making every photo a work of art. Enjoy exceptional image quality and easily explore the world of mobile photography, regardless of the circumstances.

Wide Angle Lens APL-0.45XWM

The heart of the APL-0.45XWM kit is the wide-angle lens, which allows you to capture images from an impressively wider perspective. Perfect for photographing landscapes, architecture, or groups of people, this lens opens up new possibilities for creative expression. Thanks to easy installation on a clip, you can quickly attach the lens to your phone, regardless of the model. The black color and elegant design make the lens blend perfectly with any device, adding a professional touch.

Macro Lens for Details

On the other hand, the 12.5x macro lens is a tool that allows you to discover the micro world with childlike joy. It provides the ability to capture the smallest details of objects, which is invaluable when photographing nature, food, or small decorative elements. Expanding

the capabilities of mobile macro photography opens the doors to new, fascinating worlds waiting to be discovered. Using the lens is childishly simple, making it possible for even beginner photographers to enjoy professional results.

Convenience and Versatility

The APL-0.45XWM lens kit from Apixel stands out not only for its advanced photographic capabilities but also for its exceptional user convenience. All elements of the kit, including the lenses, are designed with maximum practicality in mind. The protective pouch, clip, and cleaning cloth ensure hassle-free storage and transport, while the included instructions guarantee quick and easy installation. The universal clip allows for mounting the lenses on a wide range of phone models, making the APL-0.45XWM kit an ideal choice for any mobile photography enthusiast.
