

Joyroom JR-WQM03 magnetic charger, USB + USB-C, 1.2m (black)

Ref: 6956116756796

Joyroom JR-WQM03 magnetic charger, USB + USB-C, 1.2m (black)

Joyroom JR-WQM03 magnetic charger, USB + USB-C, 1.2m (black)

Introducing the Joyroom JR-WQM03 Magnetic Charger, whose sophisticated design and advanced charging technologies make it an ideal choice for users looking for a fast and convenient way to charge their devices. The sleek black design and 1.2m cable length ensure convenient use both at home and in the office.

Efficient charging of your smartphone

Equipped with inputs of different parameters (5V=3A, 9V=2A, 12V=1.8A), the Joyroom JR-WQM03 charger is capable of delivering charging power to suit your phone's needs. It supports 5W, 7.5W, 10W, all the way up to 15W standards for efficient and fast charging.

Safe and convenient to use

The charger is made from a combination of ABS+PC materials, making it fireproof. As a result, it guarantees safe use, minimizing the risk of overheating and ensuring durability for years to come. Its discreet dimensions (58.16 x 8.4 mm) and light weight (60g) make it an unobtrusive addition to any environment, both visually and in terms of use.

Compatible and versatile

The charger's magnetic design allows you to conveniently top up your MagSafe-compatible devices. You can seamlessly connect the

cable to any power source with a USB-C or USB input - the charger is equipped with a dual connector, making it a versatile accessory for users who appreciate flexibility.
