Powerbank Joyroom JR-L018 20000mAh, 22.5W, with Lightning + USB-C cable (black)

Ref: 6956116797188

Powerbank Joyroom JR-L018 20000mAh, 22.5W, with Lightning + USB-C cable (black)

Equip yourself with a power bank that will come in handy in almost any situation. The Joyroom JR-L018 model is resistant to shocks, water, and dust - it can handle even the most demanding conditions. It comes with 2 cables (USB-C and Lightning) and 2 ports (USB-C and USB-A), allowing you to charge up to 4 devices simultaneously. It also has a built-in flashlight and offers an SOS sound signal. Additionally, it provides a charging power of up to 22.5W. The power bank has a capacity of 20,000mAh.

A Power Bank for Special Tasks

The JR-L018 power bank will be useful during travels, mountain expeditions, and more. Not only can you charge your devices with it, but it also ensures your safety. If needed, you can use the built-in sound signal to activate the SOS signal. There's also a flashlight with 3 lighting modes - weak light, strong light, and SOS. With it, you can easily attract attention and request assistance!

Charge 4 Devices Simultaneously

You no longer need to have extra cables on hand all the time. The Joyroom JR-L018 power bank comes with 2 cables - USB-C and Lightning, allowing you to conveniently charge your phone. It also features USB-C and USB-A ports. So, you can easily charge up to 4 devices simultaneously, such as 2 smartphones, a tablet, and wireless headphones. With Joyroom, you'll say goodbye to limitations! Moreover, the power bank provides a maximum power of 22.5W, enabling fast charging.

20,000mAh Capacity

Forget about the need to charge the power bank after every use. The JR-L018 model has a capacity of 20,000mAh, allowing you to use it multiple times before needing to recharge. For example, you can charge an iPhone 14 approximately 4 times or AirPods Pro about 26 times with it.
