Magnetic protective phone case Joyroom JR-BP007 for iPhone 15 Pro Max (blue)

Magnetic Protective Case Joyroom JR-BP007 for iPhone 15 Pro Max (Blue)

The Baseus case provides comprehensive protection for your Apple phone. Made from a durable combination of TPU, PC, and PU materials, it guarantees full safety, protecting every corner of your phone. The blue color adds modernity and elegance, making it look exceptionally stylish.

Innovative Design

This case not only protects your phone but also ensures ease of use. The independent metal buttons are comfortable to operate, facilitating the use of the phone. But that's not all of its advantages. The magnetic construction of the case ensures its compatibility with wireless chargers. Additionally, the case is impact-resistant and absorbs shocks, protecting your device even in the case of unexpected falls. This is the perfect solution for those who value elegance and reliability in protecting their smartphone.
