USB-C to USB-C Cable 60W Essager 1m (black)

The Essager USB-C to USB-C 60W cable is an excellent choice for those looking for a cable that can charge devices with 60W power. This cable stands out not only for its aesthetic design but also for its exceptional durability and data transfer speed.

Built-in Breakage Protection

The rubber protection at the connector base of this cable makes it incredibly durable. Tested through over 38,000 bends, it easily withstands daily use, ensuring a long-lasting performance. With fast charging support, the Essager Cable guarantees that your devices will charge quickly, saving you precious time.

High-Speed Data Transfer

With a data transfer speed of 480Mbps, the Essager cable allows you to transfer files between devices at lightning speed. Don't wait for a long copying process - this cable ensures fast and efficient data transfer.

Solid Aluminum Alloy Construction

The material used in the production of this cable, aluminum alloy, not only provides durability but also an elegant look. This is a cable that easily blends into any environment.

Fast 60W Charging

Whether you need to charge a smartphone, tablet, or laptop, the Essager USB-C to USB-C cable with a 60W output ensures fast and efficient charging. This saves time and ensures that your devices are ready to go in an instant.

Universal Interface

With the Essager USB-C to USB-C Cable, you can be sure that it fits many devices. The Type-C to Type-C interface allows you to use it with smartphones, tablets, and laptops, greatly increasing its versatility.
