Joyroom JR-BP007 magnetic iPhone 15 phone case (black)

The Joyroom JR-BP007 magnetic case for iPhone 15 offers comprehensive 360° protection against shocks and drops, combining sophisticated style with functionality. The entire case is covered with high-quality leather, which not only adds elegance, but also provides a soft and comfortable grip. NOTE: the photos show the euti for the iPhone 15 Pro, however, the product fits the iPhone 15 model.

With an eye for detail

The metal buttons provide a comfortable feel and precise response to presses, which is crucial for intuitive iPhone operation. Using 1:1 molding and precise hole positioning, the case fits the iPhone 15 perfectly, providing easy access to all ports and functions without having to remove the case.

Magnetic design for your convenience

The case allows for easy magnetic charging and a stable grip on the phone for added convenience during use. This feature makes the Joyroom JR-BP007 case ideal for those who appreciate fast and easy attachment of their phone while using magnet-compatible accessories.
