

Lention Hub USB-C to 3x USB 2.0 + Ethernet Adapter (black)

Ref: 6955038343190

Lention Hub USB-C to 3x USB 2.0 + Ethernet Adapter (black)

Hub Lention USB-C to 3x USB 2.0 + Ethernet Adapter (black)

Expand the capabilities of your laptop! The Lention Hub offers USB 2.0 ports that allow you to connect multiple devices at the same time, and transmission speeds of up to 480 Mbps guarantee smooth data transfer. It also features an Ethernet port that will allow you to enjoy a stable Internet connection, no matter where you are. Its lightweight and compact design makes it perfect for home, office, school and travel.

Use multiple accessories at the same time

You no longer have to worry about lack of free ports! The hub is equipped with as many as 3 USB 2.0 ports, which allow you to connect several devices simultaneously. Wireless keyboard, mouse, flash drive or other accessories - now you can use them without any restrictions. The ports also allow transfer speeds of up to 480 Mbps, which means you can enjoy lightning-fast data transfers between devices.

Stable Internet connection

A reliable Internet connection is the key to efficient work. With an Ethernet port, you can enjoy stable and fast network access, whether you're working, browsing the Internet or watching your favorite movies. Offering a speed of 10/100Mbps, it provides excellent performance whether you're working or going about your daily life. Now you don't have to worry about losing your internet connection or

lagging!

Compact design

The hub is extremely slim and compact in design, so it won't take up much space on your desk. It's handy and easy to carry, making it the perfect companion whether you're in the office, traveling for business or on vacation. What's more, the built-in blue light indicator will inform you of the device's working status.
