Lention 4-in-1 hub USB-C to USB 3.0 + 2x USB 2.0 + USB-C (silver)

Whether you need to transfer data, charge devices, or connect additional accessories, the Lention hub is sure to meet your needs. This compact hub offers access to a variety of ports, including USB 3.0, USB 2.0 and USB-C, allowing you to be more productive during your daily work. Its compact size means it will easily fit into any bag or backpack.

#### Unlimited possibilities

Too few ports? It's a thing of the past! With the Lention hub, you no longer have to worry about the lack of available ports to connect your devices! Two USB 2.0 ports allow you to connect various accessories such as a mouse, keyboard or flash drive, while the USB 3.0 port will make transferring large files fast and efficient. The USB-C port, on the other hand, guarantees that your devices will always be charged and ready to go.

#### Transfer files in the blink of an eye

Don't waste time waiting for your files to be transferred! The USB 3.0 port, which reaches a maximum transmission speed of 5 Gbps, will allow you to exchange data between your chosen devices in no time. This means that transferring large files, HD movies or photos will now take just a moment!

### Charging at an express pace

You'll also successfully use the 4-in-1 Lention hub for fast charging of all your devices. Equipped with a USB-C port, it offers up to 60 watts of power, making the charging process even faster. Whether it's a laptop, smartphone, tablet or other devices, you can be sure that your devices will be charged in record time.
