

Naturehike CW280 ultralight down sleeping bag (navy blue)

Naturehike CW280 ultralight down sleeping bag (navy blue)

Ref: 6976507666947

Naturehike CW280 ultralight down sleeping bag (navy blue).

The Naturehike CW280 sleeping bag is an ideal choice for those looking for a lightweight and warm sleeping bag for colder nights. The goose down fill provides excellent thermal insulation at a minimal weight of just 570g. The sleeping bag is suitable for the autumn-winter season and provides high comfort at temperatures between 6°C-11°C.

Compact dimensions and easy transportation

With its compact dimensions when folded (26 x 12 cm), the CW280 sleeping bag is extremely easy to transport and store. When unfolded, it offers a comfortable width of 72 cm and a length of 190 cm, providing adequate space for comfortable sleeping.

Thoughtful design

The Naturehike CW280 is equipped with a double-sided zipper, which allows the sleeping bag to be easily opened and closed from both sides. In addition, the ability to connect two sleeping bags together makes it ideal for couples or groups who want to sleep together while maintaining individual warmth and comfort.

Weather resistance

The sleeping bag is made of waterproof and breathable materials, providing protection from moisture and condensation while allowing

adequate air circulation. This ensures that you stay dry and warm even in harsher weather conditions.
