Remote-controlled car Double Eagle (red) Land Rover (Amphibious) E343-003

Double Eagle Land Rover Remote Control RC Car (Amphibious) E343-003

Discover boundless driving freedom with the amphibious off-road car Double Eagle Land Rover E342-003. This remote-controlled vehicle is a true pioneer in the world of RC toys, offering unparalleled versatility both on land and in water. Designed for children aged 8 and above as well as adult RC model enthusiasts, this Land Rover provides unprecedented driving experiences in any conditions.

An Amphibian That Can Do It All

Designed for unlimited adventures, the Double Eagle Land Rover can conquer any terrain and boldly venture into wetlands. Thanks to its exceptional waterproof construction, the RC vehicle is ready for any challenge.

Reliable 4x4 Drive

Whether it's a bumpy trail or watery terrain, the innovative four-wheel drive provides unbeatable traction and control. The Land Rover Double Eagle is synonymous with durability and strength, and its ability to climb slopes of up to 30° means there are no obstacles in its way.

Advanced Technologies

The Land Rover won't catch you off guard with too low energy levels! Equipped with a low-voltage warning system, it will immediately

alert you when the charge level drops to minimum values. TPR high-traction tires ensure driving stability, while the interference-free remote control system allows for seamless play within a radius of at least 25 meters. Embark on an adventure with Double Eagle!
