RC Remote Control Car 1:18 Double Eagle Buggy (Multi-Directional) E346-003

The 1:18 scale Buggy model from Double Eagle is a true master of acrobatics, ensuring unforgettable moments of entertainment. Equipped with 4 large wheels, it allows for easy movement on various surfaces and effortless overcoming of small obstacles. With the ability to move forward, backward, right, and left, as well as the capability to rotate 360 degrees and drive sideways, it enables performing amazing stunts and spectacular maneuvers. The included remote control in the set makes controlling it even more convenient.

Rotate, Spin, Drift

Ready for an adventure full of exciting acrobatics? The Double Eagle car allows you to move forward, backward, right, and left with ease, providing unlimited freedom of movement. You can also perform incredible maneuvers by rotating the vehicle 360 degrees and even driving it sideways, making every ride a unique spectacle!

Full Control Over the Vehicle

Also included in the set is a remote control that allows for precise control of your favorite car with incredible smoothness. Thanks to the advanced transmission system, you can enjoy a stable connection even at a distance of 20 meters, ensuring uninterrupted fun.
