Mcdodo CH-5072 USB-A*2, 12W power charger + USB-A to USB-C cable (black)

Mcdodo CH-5072 USB-A*2, 12W Power Charger + USB-A to USB-C Cable (Black)

The Mcdodo CH-5072 is a powerful and versatile charger that offers 12W fast charging with two USB-A ports. Made of fire-resistant PC V0 material, it is not only safe, but also durable. Its compact dimensions of 43.08 × 27 × 85.81 mm and weight of 55 g make it easy to carry and ideal for use both at home and on the go.

Fast and smart charging

The Mcdodo CH-5072 charger is equipped with an intelligent chip that automatically recognizes the connected device and adjusts the appropriate voltage and current to it, ensuring fast and efficient charging. In addition, the dual USB-A port allows simultaneous charging of two devices for added convenience.

Safety

The charger's construction made of PC V0 material is flame resistant, ensuring safe use. In addition, it offers protection against overvoltage, overcurrent, short circuit and overheating, which protects both the device and connected devices.

Compatibility and convenience

The Mcdodo CH-5072 features wide compatibility, supporting Android and iOS devices, including smartphones, iPads, TWS headphones,

smartwatches, powerbanks, mini fans and Bluetooth speakers. With a wide input voltage range of AC 110-240V, the charger can also be used abroad, making it an ideal travel companion.

USB-A to USB-C cable included

The Mcdodo CH-5072 charger comes with a 1m long USB-A to USB-C cable, made of durable TPE material, which provides up to 3A of current. This makes the cable not only durable, but also ensures fast and stable charging.
