Wireless mechanical keyboard Royal Kludge RK89 RGB, Lemon switch (white)

Royal Kludge RK89 RGB Mechanical Keyboard, Lemon switch (white).

Royal Kludge RK89 RGB is a keyboard equipped with 89 buttons that will make both working and playing easier. Equipped with an 1850mAh battery, the keyboard can work for 60 hours (with the lights off). Its next advantage is double foam soundproofing, which reduces noise by 20%. In addition, the keyboard has Lemon switches, which feel very similar to Cherry MX Red switches, or even Royal Kludge Red, but nevertheless have a less noticeable stroke.

### Customization capabilities

The ability to personalize is at your fingertips with the Royal Kludge software. Choose from 14 backlighting modes or as many as 16,8\* (16,77) million RGB colors to create the right mood during gameplay. In addition, customize the keys to your preference for the most comfortable use of the keyboard. You also have the option to remove or put on the keyboard's frame, giving you the freedom to use it in accordance with your own style.

### Easy Switch Replacement

In the Royal Kludge RK837 keyboard, you can comfortably replace switches without soldering or using complex tools. With the included tweezers, you can replace switches to suit your needs.

Wszechstronność w działaniu

Versatility in action

Compatibility with various operating systems, such as Windows, iOS, Android and Linux, is a feature that gives you the freedom to use the keyboard on different platforms. Seamless switching between modes and support for various devices put it at the center of both work and entertainment to make using the device as enjoyable as possible.

Wireless and ergonomic

The Royal Kludge RK89 RGB keyboard has three modes - wired, Bluetooth and 2.4G. They allow full control over connectivity to devices. Two USB-A ports and a USB-C port allow simultaneous charging and data transfer from other devices. Meanwhile, two layers of foam soundproofing eliminate noise and make the RK89 keyboard accompany you in a calm and concentration-friendly atmosphere.
