Zeblaze GTS 3 PRO Smartwatch (Pink)

Zeblaze GTS 3 Pro is your smart fitness tracker on your wrist. The smartwatch monitors your health around the clock and offers more than 100 sports modes. What's more, it allows you to receive Bluetooth calls and runs for up to 15 days on a single charge. Moreover, operation is facilitated by a large 1.97-inch AMOLED display and works with the FitColudPro app. Check out what else you can gain!

Clear access to notifications

The smartwatch is equipped with a 1.97" AMOLED display. With a resolution of 415 × 505, you can enjoy a clear HD image full of details and vivid colors. In addition, the watch supports the always-on display function and constantly displays the most important data.

Lightweight and stylish

Zeblaze GTS 3 Pro is distinguished by its ultra-lightweight design - its weight is less than 21 g, so you can wear it for a long time without feeling discomfort or fatigue. What's more, the silicone strap is soft to the touch and gentle on the skin, and the thin design (10.5mm). In addition, its minimalist design means it will match almost any style.

Personalize its look

Customize the look of the smartwatch to suit your needs. There are a number of different dial designs and always-on-dispaly styles at

your disposal, so you're sure to choose the right one for you. There is also the option to upload your own photo. Express your style with the Zeblaze GTS 3 Pro!

Long working time

Take the GTS 3 Pro with you on a trip or business trip and don't worry about a suddenly drained battery. The smartwatch lasts up to 7 days on a single charge if you use it intensively, or up to 15 days with daily use. In turn, it remains in standby mode for about 30 days. It also allows you to make voice calls lasting a total of 365 minutes.

Monitors health status

Take care of your health with the Zeblaze GTS 3 Pro. The smartwatch monitors heart rate around the clock and measures blood saturation. In addition, it offers breathing exercises and analyzes sleep length, making it easier to eliminate bad habits. In addition, it offers a menstrual calendar and reminds you to drink water and change your position if you sit for too long.

More than 100 sports modes

Want to increase the effectiveness of your workouts, or maybe try your hand at a new sport? Zeblaze GTS 3 Pro will help you do just that! Running, yoga, cycling, walking - the possibilities are many. In addition, the watch counts the number of steps and calories burned, so you can monitor your progress in real time.

Answer calls and use the voice assistant

Stay in touch with your loved ones and don't worry about missing any notification. The Zeblaze GTS 3 Pro smartwatch allows you to answer incoming calls, so you don't have to reach for your smartphone every time. In addition, the built-in voice assistant allows you to use the selected function in no time - all you need is a simple voice command.

Even more practical features

Zeblaze GTS3 Pro offers plenty of features that will come in handy on a daily basis. Check notifications, control the music player, use the calendar, calculator and take photos remotely. You can also set Do Not Disturb mode or locate a lost watch, or smartphone.
